Thank you again for your help in walking me through this surprise party for Don. You were an enormous help and very patient as I vacillated back and forth on what to have. The food was delicious, abundant and presented in such a nice way. Alicia was lovely, very professional, a wonderful representative for your business. Thank you for your generosity in providing the extras I might have forgotten. I hope things go well for you. For sure we'll be in touch again.

Thank You! You guys received absolutely rave reviews! Much deserved. The food was impressive and the service was spot on. Lots of people asked about who had handled the food so Amanda and I were happy to tell them. We won't hesitate to give you guys a call for our next big party. Nina Hewitt from The Riverlofts at
